**MINISTRY OF INDUSTRY AND SUPPLY**

**(Department of Industry)**

**(Central Boilers Board)**

*New Delhi, the 30th November 1965*

**G.S.R. 1839.**—In exercise of the powers conferred by section 28 of the Indian Boilers Act, 1923 (5 of 1923), the Central Boilers Board hereby makes the following Regulations further to amend the Indian Boiler Regulations, 1960, the same

having been previously published as required by sub-section (1) of section 31 of the said Act, namely:—

1. These Regulations may be called the Indian Boiler (Fifteenth Amendment) Regulations, 1965.

2. In the Indian Boiler Regulations, 1950 (hereinafter referred to as the said Regulations), for the heading to Chapter IX, the following heading shall be substituted, namely:—

**“REGULATIONS FOR THE REGISTRATION OF BOILERS AND INSPECTION OF BOILERS AND STEAM-PIPES”**

3. In the said Regulations,

(i) in Regulation 389, for the words “as safeguard against overloading, the date and pressure of the last hydraulic test of the boiler and, when applicable of the main steam-pipes prescribed” the words “as safeguard against overloading and the date and pressure of the last hydraulic test of the boiler” shall be substituted;

(ii) in Regulation 394,

(a) in clause (a), for the words “No separate certificate for the steam-pipes shall be issued”, the following words shall be substituted, namely:—

“The Chief Inspector shall intimate his approval to the owner regarding the suitability of the pipe line for use at the pressure and temperature to be specified”;

(b) in clause (b), for the words “The test pressure at such hydraulic test shall be not less than twice the working pressure of the boiler”, the following words shall be substituted, namely:—

“The test pressure at such hydraulic test shall be not less than one and a half times the working pressure of the boiler or the intended working pressure of the pipe, as the case may be”,

(c) for clause (c), the following clause shall be substituted, namely:—

“(c) A memorandum of Inspection Book shall be prepared in respect of steam-pipes and fittings in Form No. XIV. In this book, the Inspector shall enter in ink all particulars and dimensions of the steam-pipes and fittings with calculations for the various parts in detail, particulars of hydraulic test and his inspection notes.

At subsequent inspections, the Inspector shall enter the date of the inspection and hydraulic test together with notes thereon.

The Inspector shall also enter in the Memorandum of Inspection Book remarks regarding the general condition of the steam-pipes and fittings, and repairs, replacements or alterations, if any, and the extent to which the steam-pipes have been cleaned of lagging and covering, so that the book provides a useful record of the steam-pipes and fittings for the information and guidance of Inspectors at subsequent inspection. In the event of an accident to a pipe line or its fittings, necessary remarks shall also be entered in the book.

The Memorandum Book shall be submitted to the Chief Inspector, who will check all particulars and calculations and approve the working pressure and temperatures that are to be permitted for the various parts of the pipe line and fittings. The pressure and temperature once approved for the particular steam pipe line shall not be altered except on a written authority from the Chief Inspector.”;

4. In Form I of the said Regulations, the portion commencing with the heading “STEAM PIPES” and ending with the words “Remarks.....” shall be omitted.

5. In Form VI of the said Regulations, the words “I further certify that the main steam-pipe was tested hydraulically to a pressure, of.....lbs. per square in. last on.....” shall be omitted.

6. In the said Regulations, after Form XIII, the following Form shall be inserted, namely:—
